

# Terms and Conditions for Course Enrollment

Effective Date 24/11/2024

Welcome to **Metallicode**. By registering for a course, you agree to the following terms and conditions:

## 1. Course Materials

- 1.1. All course content will follow a structured syllabus.
- 1.2. Materials will be provided through Google Colab and Google Drive.
- 1.3. Students are responsible for ensuring access to these platforms.

## 2. Completion Requirements

- 2.1. To successfully complete the course, students must complete at least 85% of the assigned tasks.

## 3. Class Schedule

- 3.1. If a class is canceled, it will be rescheduled at a time agreed upon by the course instructor and students.

## 4. Communication

- 4.1. Official communication for the course will take place through the designated Discord server.
- 4.2. Students are responsible for joining the server and staying updated on all announcements.

## **5. Class Recordings**

5.1. Classes may be recorded and uploaded to the **Metallicode YouTube channel** for educational purposes.

5.2. By enrolling, you consent to being part of these recordings.

## **6. Intellectual Property**

6.1. All course materials, including but not limited to lecture content, slides, and resources, are the intellectual property of Metallicode.

6.2. Students are prohibited from redistributing, copying, or using these materials outside the scope of the course without explicit permission.

## **7. Student Work**

7.1. Tasks and assignments submitted by students may be used as examples in future courses or for marketing purposes.

7.2. Appropriate credit will be given to students where applicable.

## **8. Student Responsibility**

8.1. Students are expected to dedicate time outside of class for independent learning and task completion.

8.2. Active participation and timely submission of assignments are required.

## 9. Behavioral Expectations

9.1. Any form of abuse, harassment, or inappropriate behavior towards other students or staff will result in immediate termination of enrollment without a refund.

## 10. Technical Requirements

10.1. Students must have a working laptop capable of running modern software requirements, including Google Colab.

## 11. Issue Resolution

11.1. For any issues regarding course materials, grades, or administrative matters, students must notify the course teacher as soon as possible.

## 12. Contact Information

For any questions or concerns, please contact the course teacher:

Name: Grys Dominique

Email: Dominique@Metallicode.com

Phone: +447428705075

By registering for this course, you acknowledge that you have read, understood, and agree to abide by these terms and conditions.

Signed:

Dominique Grys
